

David Clark headsets  
Helitech and MRO  
**September 2018**

Dear NEDAERO relation,

With this e-mail we want to inform you about our aerospace related products and services. We will send this e-mail on a regular basis.

## David Clark headsets

### **NEDAERO is official distributor of David Clark headsets**

To reduce the risk of hearing damage whilst flying, wearing a professional headset is essential. We supply passive noise attenuating and Electronic Noise Cancelling (ENC) aviation headsets for both fixed wing and rotary wing aircraft.

Besides the headsets we also deliver accessories like microphones, head pads, adapters etc.

Also for repairs NEDAERO is your partner as a David Clark Authorized Foreign Repair Facility for Aviation and Airline product lines.

## Meet us in October at the RAI in Amsterdam

NEDAERO staff is present at the Helitech International (16-18 Oct) and MRO Europe (17-18 Oct) at the RAI in Amsterdam. We would like to welcome you

and meet you there!

As Parts Specialist in the helicopter field we present NEDAERO and her parts distribution and repair services at the Helitech. We co-exhibit with Heliwagon at the **Static Display Area** and we will have a Heliwagon displayed so you can see for yourself the advantages this remote helicopter landing platform can bring your company.

You can register as visitor on the [Helitech International website](#).

Also at the MRO Europe NEDAERO will be pleased to welcome you. With over 40 years of manufacturing and MRO experience our sales representatives can inform you of the latest developments and services within NEDAERO. You will find us at the Holland Pavilion stand **no. 10020**.

You can register (free until October 12) as visitor on the [MRO Europe website](#).

Please [contact us here](#) or get in touch with your familiar NEDAERO contact and make a personal appointment. We hope to see you in Amsterdam!

**Come and visit NEDAERO**  **in October in Amsterdam:**
