Dear NEDAERO relation,

In this regular Newsletter we will keep you updated on our aerospace related products and service developments.

Collins Aerospace and NEDAERO: a perfect match

Collins Aerospace

AUTHORIZED
DEALER

NEDAERO is Authorized Dealer for Collins Aerospace. Collins Aerospace and NEDAERO hold a long-lasting relationship in the aerospace industry and going back to Goodrich and Simmonds.

Recently we received a renewed certificate that our Customer Support Desk colleagues Tessie and Leonie proudly put on the wall in our office:

New parts and in-house repairs

Not only can you order new avionic components (ao. Starter Generators, Torque Signal Conditioners, Actuators), but we also repair Collins Aerospace components. We have an in-house workshop where components can be repaired by our certified staff. To give you an idea, we repair ao: Indicators (Fuel Preselect, Fuel Quantity, Load Select), Fuel Tank Units, Transceivers, Control Units and many more.

Our Customer Support department can give you more information about repairs. Contact: +31 316 592 100 or send an e-mail to: repair@nedaero.com

You can also find more Collins Aerospace information on our [website page](#).

A few examples of new components that we offer are: Torque Signal Conditioners, Autofeather Control Units, Hydraulic Filter Elements, DC Starter Generators and Fuel Control Units.

At this moment we have several [Servo-parts for sale](#), ao:

SC7117-1C Servo Contol Tail; SC5083-1 Servo Main Rotor; SC8042 SERVO-CONTROL,FRONT & LH.

See for the total list also our website: <https://nedaero.com/collins-aerospace/>

For more information, please contact +31 172 796 550 or send an e-mail to: parts@nedaero.com

NEDAERO to the rescue!

NEDAERO distributes a wide range of aviation and helicopter products for its suppliers. Essential elements when you are flying a helicopter are the Life Saving Equipment parts.

NEDAERO is proud distributor for

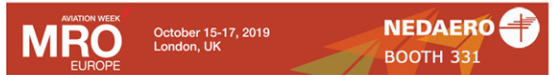

Besides to regular operating businesses we also deliver Switlik parts to **training schools**, specialized in HSE training and technical rescue training for the onshore & offshore oil and gas industry, construction, maritime and manufacturing sectors.

Besides the well-known vests (X-Back MOLLE (+), X-Back Basic, Flotation Collar, Aviator and All-PAX Passenger Life Preserver) we also offer search & rescue life rafts. And don't forget the miscellaneous parts for maintenance like a hood & spray shield and for instance cylinders, valves, inflation systems, pumps, bags, mooring lines, water boots and U-ZIP-IT anti exposure suits.

[On our website](#) you'll find ample examples of the high quality SWITLIK products we offer.

You can also use our [Parts Search and/or download the Parts list in pdf-format](#). Any questions? Our Customer Support team is there to assist you. +31 172 796 550
