Dear NEDAERO relation,

In this regular Newsletter we will keep you updated on our aerospace related products and service developments.

Donaldson liquid filters EMEA and Africa

For many years NEDAERO holds a strong business relationship with Donaldson. We were already Donaldson official distributor for liquid filters in Europe, but recently Africa and the Middle East are added. Interested in more info about Donaldson products? Please visit our website or call our Customer Service Desk: +31 72 796 550.

JPC Aviation lights

NEDAERO is proud to be official distributor for JPC Aviation. For almost 40 years JPC Aviation is a leading manufacturer of navigation and anticollision lights. With a specialization in xenon and LED flash systems JPC Aviation offers technical solutions for helicopters and aircraft in order to give the crew the best visibility whatever the outside conditions are.

Check out our website for more products like formation, position and emergency lights.

Sales force extended at NEDAERO

We are pleased to announce that we have a new Area Sales Manager on board!

Roy Perotti has joined our EMEA regional sales team and will be responsible for sales activities for our Business Units Civil Distribution and Military. Roy has many years of experience in the sales and marketing field and we are confident that his knowledge will highly contribute to the two business units.

If you would like to contact Roy, just send him an [e-mail](#) and he will get back to you. We wish him lots of success and fun in his new job!

Part 145 audit

This month our NEDAERO office at the Zevenaar location was audited for the Part 145 approval.

This audit has been successfully concluded and the existing certificate will be prolonged. NEDAERO complied to all the strict requirements that have to be met to be a certified company that is allowed to maintain products, parts and appliances.

By the way, did you know that NEDAERO is the only company in the Netherlands that holds a triple AS status:

AS9100/AS9110/AS9120.

Find out more info about our [certifications on our website](#).

Let's meet in Manchester!

NEDAERO staff is present at the AP&M, the Global MRO Procurement Expo. At May 20 and 21, our colleagues will be delighted to welcome you at our booth **C26**. You can register as visitor at the [AP&M website](#). Want to set-up a meeting upfront with a NEDAERO contact at the show? Then please contact [Tessie Dikker](#) and she will arrange your meet and greet!
