Patria

Dear relation,

In our previous Newsletter we informed you that Patria acquired NEDAERO.

All former-NEDAERO employees are now part of Patria Netherlands, still working from our two locations Zevenaar and Alphen aan den Rijn.

We are in the middle of the integration process and you will notice that amongst other things the NEDAERO logo will be replaced by the Patria logo.

In the second half of this year the NEDAERO e-mail addresses will change. The current nedaero.com website will be closed down and the content will be integrated in Patria's website www.patriagroup.com

Because of the acquisition this newsletter will not be send anymore.

Hereby we would like to thank you for your attention for the NEDAERO Newsletters in recent years.

If you are interested to follow Patria's activities and developments, please register yourself at:
